

Product designation	Electrode holder
Product type designation	PS3S

Connections

Terminals type	Faston
----------------	--------

Ambient conditions

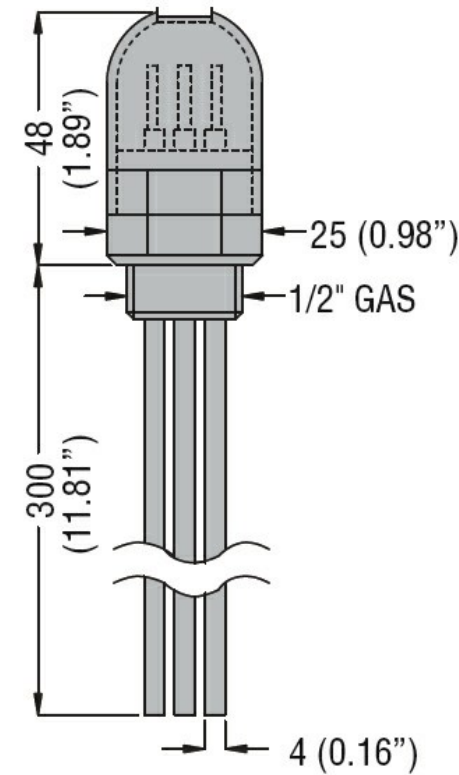

Temperature	Operating temperature
	max °C +70

Maximum operating pressure	bar 2
----------------------------	-------

Housing

Weight	g 120
--------	-------

Dimensions

Certifications and compliance

Compliance	/
------------	---

Certificates	EAC
--------------	-----

ETIM classification

ETIM 8.0	EC010106 - Liquid level sensor
