

| Product designation  Product type designation |        |                 | Residual current<br>circuit breakers<br>(RCCB) with<br>overcurrent<br>protection<br>P1RE |
|---|--------|-----------------|--|
| Number of poles                               |        |                 | 1P+N   |
| Number of DIN modules                         |        |                 | 2  |
| Compliance                                    |        |                 | IEC  |
| Electrical features                           |        |                 |  |
| Rated insulation voltage Ui IEC/EN            |        | V               | 400  |
| Rated impulse withstand voltage Uimp          |        | kV              | 4  |
| Rated operational voltage AC (IEC)            |        | VAC             | 230  |
| Rated frequency                               |        | Hz              | 50/60  |
| Rated current (In)                            |        | Α               | 25   |
| Tripping curve                                |        |                 | С  |
| Residual operation characteristic             |        |                 | AC   |
| Rated residual current                        |        | mA              | 30   |
| Short circuit rating (IEC)                    |        | kA              | 10   |
| Electrical life                               |        | cycles          | 10000  |
| Ambient conditions                            |        |                 |  |
| Operating temperature                         |        |                 |  |
| -1 3 1  | min    | °C              | -25  |
|   | max    | °C              | +60  |
| Storage temperature                           |        |                 |  |
| 2 to 1 2 g a to 1 p a to 1 a to 1             | min    | °C              | -40  |
|   | max    | °C              | +80  |
| Max altitude                                  |        | m               | 2000   |
| Mechanical features                           |        |                 |  |
| Operating position                            |        |                 |  |
|   | normal |                 | Vertical plan  |
| Fixing  | Homman |                 | 35mm DIN rail  |
| Tightening torque for terminals               |        |                 | - Commit Dire tall   |
| righterning torque for terminals              | max    | Nm              | 2  |
|   | max    | lbin            | 15   |
| Terminals tool                                | max    | 10111           | Pz 2   |
| Conductor section                             |        |                 | 122  |
| IEC   |        |                 |  |
| IEG   | min    | mm²             | 1  |
|   | max    | mm <sup>2</sup> | 16   |
| AWG/Kcmil                                     | IIIax  | 111111          | 10   |
| AVVG/RCITIII                                  | min    |                 | 16   |
|   | min    |                 | 16   |
| Machanian life                                | max    | a al            | 3  |
| Mechanical life                               |        | cycles          | 20000  |
| Weight  |        | g               | 205  |

| Frontal IP degree | IP20 |
|-------------------|------|
| Pollution degree  | 2    |
