

Product designation	RS485-4G modem
Product type designation	EXCM4G01
General characteristics	
Description	4G Router with RS485, modbus RTU/TCP
Functions	RS485/4G
Rated power supply voltage	9-36VDC
Certifications and compliance	
Certifications	/
Compliance	EAC RCM
ETIM classification	
EC000066 - Power contactor, AC switching
